M.A.GenderStudies

Syllabus (With effect from 2024-2025)

Program Code: 106

DEPARTMENT OF WOMEN'S STUDIES BHARATHIAR UNIVERSITY

(A State University, Accredited with "A++" Grade by NAAC and 21st

Rank among Indian Universities by MHRD-NIRF)

Coimbatore641046

INDIA

VISION

To advance the field through interdisciplinary research and innovative pedagogies, inspiring a new generation of gender studies scholars and feminist leaders committed to social justice, leading to emancipation and empowerment of gender.

MISSION

- The mission of the Department is to generate interdisciplinary forms of knowledge about the complex interplay of power and difference, especially as inflected by categories such as gender, sexuality, race, class, age, and abilityacross a vast array of contemporary and historical cultures.
- To interrogate the conditions that render specific populations vulnerable to violence in a range of local and transnational contexts.
- To study and cultivate strategies of resistance.
- To achieve these goals, we foster multiple modes of intellectual inquiry, transformative pedagogies, public engagement and activism.
- To enhance the Department's national and international leadership role in the growing field of women's and gender studies through continued excellence in research, teaching and service.
- To impart knowledge and skill with the best state of the art facilities provided in the department.
- To inculcate a sense of service and committed work style among the students
- To provide a wide platform for all kind of students to get trained in entrepreneurial skills, leadership values and people skills.
- To educate the students in qualitative and innovative methods of research.
- To mold the students with confidence and clarity to encounter the future society.

Instruction:

PEOs are:

- Statement of areas or fields where the graduates find employment
- Preparedness of graduates to take up higher studies

Program I	Program Educational Objectives (PEOs)									
	The M.A Gender Studies program describe accomplishments that graduates are expected to attain within five to seven years after graduation.

Pre-requisite		Learned about gender-based issues and	2	-	8	4
		empowerment can be learned more through field visits	Syllah Versi		2024	-2025

Course Objectives:

The main objectives of this course are to:

1. To gain the practical knowledge by visiting NGOs, Organizations & Government sectors

Expected Course Outcomes:

On the successful completion of the course, student will be able to:

1	Knowledge and understanding of the conceptualization of gender	K1
2	Critical thinking of gender bias	K2
3	Sensitized on the changing roles of gender	K3
4	Understand the social institution and view the society with gender lens	K4
5	Analyses about the role of government for gender equality by various schemes	K5

K1-Remember; K2-Understand; K3 -Apply; K4-Analyze; K5-Evaluate; K6 -Create

Skill oriented training is an essential component to the course and understanding in practical. This course aims to develop various practical skills, so that the students can play an effective role as policy makers in the society, particularly at the grassroots level. Project work will include training in gender analysis and planning, advocacy, lobbying and it will be evaluated based on the practical work done by the student. It is necessary that she/he has to submit a written report of the work done.

This will be part of Department extension activity

Pre-requisite		Learned about gender-based issues and empowerment can be learned more through field visits	Syllabus Version	202	4-202	25

Course Objectives:

The main objectives of this course are to:

- 1. The student will visit the Organizations and understand the gender analysis and do practical work in the organization
- 2. To gain the practical knowledge by visiting NGOs, Organizations & Government sectors

Expected Course Outcomes:

On the successful completion of the course, student will be able to:

	<u> </u>	
1	Knowledge and understanding of the conceptualization of gender	K1
2	Critical thinking of gender bias	K2
3	Sensitized on the changing roles of gender	K3
4	Understand the social institution and view the society with gender lens	K4
5	Analyses about the role of government for gender equality by various schemes	K5
T/ 1	Demand an W2 Hadanstand W2 Angly W4 Angly ma W5 Evolvato W6 Crosts	

K1-Remember; K2-Understand; K3-Apply; K4-Analyze; K5-Evaluate; K6-Create

Skill oriented training is an essential component to the course and understanding in practical. This course aims to develop various practical skills, so that the students can play an effective role as policy makers in the society, particularly at the grassroots level. Project work will include training in gender analysis and planning, advocacy, lobbying and it will be evaluated based on the practical work done by the student. It is necessary that she/he has to submit a written report of the work done.

This will be part of Department extension activity

Pre-requ		Learned about gender based issues and empowerment can be learned more through field visits	5 Syllabus Version	20	12)24-20 2	4 25

CourseObjectives:

Themainobjectivesofthiscourseareto:

The student can learn about the research at entry level by doing this project

To gainthepracticalknowledgebydoing research work

ExpectedCourseOutcomes:

Onthesuccessfulcompletionofthe course, student will be able to:

	r · · · · · · · · · · · · · · · · · · ·	
1	Knowledgeand understanding oftheconceptualizationofgender	K1
2	Criticalthinkingofgenderbias	K2
3	Sensitizedonthechangingrolesofgender	K3
4	Understandthesocialinstitutionandviewthesocietywithgenderlens	K4
5	Analysesaboutthe roleofgovernment for gender equality by various schemes	K5

K1-Remember; K2-Understand; K3-Apply; K4-Analyze; K5-Evaluate; K6-Create

The students can do project as collaborative work with NGOs, Governmentorganizations and industries to gain knowledge about the role of women invarious sectors. It will be a base line to research about women and childwelfare in Indian scenario. The student may analyze the myths and facts aboutwomen rights and empowerment.

Project work will include training in gender analysis and Planning, advocacy, lobbying and it will be evaluated based on the practical work done by the student. It is necessary that she/he has to submit a written report of the workdone and Vivavoce. This will be part of Department extension activity
